Overview:

This course is designed for employees who are new to state government. Participants will gain an understanding of the State of Iowa government structure, budget, and legislative process, and the unique aspects of employment in public administration. Participants will be presented with resources to help guide them as new state employees. *This course is designed for new employees within their first four months of employment.*

Objectives:

- Understand the key aspects of public administration
- Understand the components of the State of Iowa government
- Discuss the challenges of being a public administrator
